

2024 MATERIAL AND SERVICES CHARGES (SCHOOL FEES)

Greenwith Primary School 2024 Materials and Services fees have been set at \$370.00 per student as per the watermark notice approved by the Chief Executive Officer of the Department for Education (refer to Education Act section 106A). The SA Government \$100 Rebate will apply again for 2024 with the credit being applied to each child's invoice. Eligible School Card applicants are exempt from the rebate. The school community was polled and the outcome of the poll was unsuccessful therefore the community did not support to fully legally recover all of the 2024 school fees. This means the 2024 School Fees Invoice will be broken down into 2 amounts. The Standard Sum (compulsory to pay and legally recoverable) total of \$287.00 and the Voluntary Contribution of \$83.00. **The Standard Sum minus the Government rebate will only leave \$187.00 compulsory to pay.** All voluntary contributions received are greatly appreciated. *Fees are required to be paid in full by April 12th 2024 (end of Term 1)* unless you have applied for School Card and waiting on an outcome or have completed a Payment Plan (see below). Invoices will be posted home by the end of Week 2 Term 1 and Week 2 Term 3 for our Mid-year new starters. If you have changed your address please inform us immediately.
